Revised 1/3/19

Cosmetology Program's Mission And Purpose Statement

Our Mission Statement is to provide a quality education in cosmetology so our graduates are able to be employed and successful in the field of cosmetology.

Cosmetology Program's Goals and Objectives

Our goals are to train our students to pass the State Exam; instill ethical behavior including professionalism; provide up-to-date training and communication skills; and provide placement assistance. Our objectives are to prepare our graduates with the skills needed to secure and maintain employment in cosmetology.

History

Salinas Beauty College was established to provide quality cosmetology education to the Salinas and Pajaro Valleys in 1938. There has been a great deal of growth in the Valley and the cosmetology profession. We like to feel the college has contributed to both.

The College was acquired by award winning hair stylist Jim Edwards in 1971. Mr. Edwards is past president and co-founder of the local C.C.A. chapter; co-founder, Board member and Executive Director of the California Association for Schools of Cosmetology and Board member of the Professional Beauty Federation of California.

Institutional Effectiveness

The SBC has trained more working cosmetologists in Monterey County than any other school. We historically have maintained a high pass rate for licensing exams in California. As per the BPPE Annual Report in 2013: We enrolled 34; Awarded 23 Diplomas; the completion rate was 89% and 68% graduated in 150% of the designated time. In 2013 18 took the licensing exam and 15 passed and 3 failed with a 83% pass rate. Our placement rate 78%; 18 were employed more than 32 hours weekly and 1 was employed less than 32 hours per week. In 2012 we had a 87% exam passage rate.

Institution’s General Facilities

The College on 916 So. Main Street in Salinas, CA. All class sessions are held at this location. There is easy access with the use of public and private transportation and unlimited parking. The College has approximately 3500 square feet downstairs and 1000 square feet on the mezzanine floor. There are 20 student/patron styling and practice stations, facial area, dispensary, 3 theory classrooms, student lounge, and a library. The college staff and equipment can accommodate 85 adult cosmetology students.

Health, Compensation and Physical Considerations

Generally, the professional in the cosmetology field must be in good physical health for he/she will be working in direct contact with patrons. In most aspects of the beauty culture field there is a great deal of standing, walking, pushing, bending and stretching, and sometimes for long periods of time. A person must consider his/her physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students with physical limitations or disabilities if these students (their parents or physician) believe they can fulfill training demands. Expecting mothers should consult with their physicians before enrolling.

According to the U.S. Bureau of Labor Statistics the Median hourly rate in the U.S. is \$ 10.94 per hour – the lowest is \$ 7.86 per hour and the highest is \$ 19.97 per hour. An experienced Cosmetologist can earn several thousand dollars per month in California. Compensation is primarily based on performance therefore salary range is determined by the level of productivity of the professional.

Scholarships

The SBC offers \$ 1,000.00 scholarships to graduating high school students. Each high school Career Center has the applications available.

Administration

The College is a corporation and James (Jim) Edwards is president.

	11/26/19 @ 8:30 A.M.

School Calendar and Holidays Observed

The school is closed Sunday and Monday and the following holidays: New Year's Day, Memorial Day, July 4th, Labor Day, Thanksgiving Day and following Friday and Saturday, Christmas Day, and approximately the last two weeks of every year. A special holiday may be declared for special or emergency reasons. Holy Days of all religious beliefs are respected and allowed. In the event of an unexpected closure due to unusual circumstances each staff member will be responsible for notifying a specified number of the students as to the date of the re-opening or the location of the school where they will be placed.

Authorization to release information (FERPA) Note: FERPA must be requested as needed for each situation.

Students have the right to gain access to their records according to the school's Access to Files Policy. Students also have a right to authorize certain individuals/organizations to gain access to certain information in the student files. If he/she is a dependent student, he/she is not authorized to review the financial records provided by the parents. If the student is 18 years of age or older, the parent(s) do not automatically have authorization to review or discuss with school officials any and all information related to my schooling.

All information in the student files would be available to any governing state agency, accrediting agency and federal agency during the process of reviewing the school's normal approvals, accreditations, eligibilities, and other matters conducted by those agencies without the specific consent of the student and/or parents.

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31): The record of the request and disclosure must identify the parties who requested the information and their legitimate interest in the information.

This record must be maintained in the student's file as long as the educational records themselves are kept.

For instance, if Department officials request student records include it in each student's file, a statement such as the following would be appropriate for a review of the FSA programs conducted by a Department regional office.

These financial aid records were disclosed to representatives of the U.S. Department of Education, School Participation Team, Region _____, on _____ (Mo/Day/Year) to determine compliance with financial aid requirements, under 34 CFR Part 99.31(a)(4).

When re-disclosure is anticipated, the additional parties to whom the information will be disclosed must be included in the record of the original disclosure. For instance, to continue the example for an FSA program review, the following statement might be added:

The School Eligibility Channel may make further disclosures of this information to the Department's Office of Inspector General, and to the U.S. Department of Justice, under 34 CFR 99.33(b). Schools should check with the program review staff to find out if any re-disclosure is anticipated.

Data released to other non consent applicable agency, must also be documented:

(FERPA) Disclosure and Retention of Student Education Records

- Adult students, parents of minor students and parents of tax dependent students have the right to inspect, review and challenge information contained in their institution's records. However, a staff member must be present during the process.
-

School officials with legitimate educational interest;

Other schools to which a student is transferring;

in the course of a program review, the school must document in each student's file that the student's records were disclosed to representatives of the Department. The easiest way for the school to do this is to photocopy a statement to this effect and i

Specified officials for audit or evaluation purposes;
Appropriate parties in connection with financial aid to a student;
Organizations conducting certain studies for or on behalf of the school;
Accrediting organizations;
To comply with a judicial order or lawfully issued subpoena;
Appropriate officials in cases of health and safety emergencies; and
State and local authorities, within a juvenile justice system, pursuant to specific State law.
Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

The School admits as regular students any person 16 years or older; we do not discriminate in our employment, admission, instruction or graduation policies on the basis of sex, age (except the 18 year old minimum age), race, color, religion or ethnic origin, nor does it recruit students who are attending another cosmetology school. The school encourages students to review the catalog and School Performance Fact Sheet prior to signing an enrollment agreement. The school requires that each student enrolling in the cosmetology program must:

The student must have the ability to read and write English at the level of a graduate of an American high school as demonstrated by the possession of a high school diploma, GED or passage of the California high school proficiency exam. All classes are taught in English. SBC has three Spanish speaking instructors and as such, is able to accommodate to some degree the students who speak English as a second language.

High School

We have an enrollment contract with the local high school district for training high school students. They are considered non-regular students because they would not be graduating from the institution before completing high school and, as such, do not have an enrollment contract with the institution.

Brush-Up Students

All Brush Up Students must be evaluated -- the cost is \$ 100.00 and will be arranged by appointment. At that time the Salinas Beauty College will determine the length and depth of the needed coursework and will be placed at the designated level in our regular Cosmetology Course. The student will be expected to pay at the rate of a regular student, less the equipment and books already owned. We do not have a special course for Brush-Up Students.

Returnees from the Salinas Beauty College or Transfers from another School

1. If the student has not been in school for over five (5) years, it is necessary to complete the total course.
2. If the student has not been in school for over a year, but less than five (5) years, if he/she wishes to keep his/her hours, he/she must be evaluated. The student will be expected to pay at the rate of a regular student, less the equipment and books already owned and are updated. No student will be enrolled for less than 400 hours.
3. If the student has been Withdrawn for one reason or another within the past year, unless she is terminated for conduct reasons, he/she shall refer to # 2. In any case, no student will be enrolled for less than 400 hours.
4. If the student has completed 1600 hours within the last year, but **has not** completed the Exit Exams or owes the school money and wishes to sit for the exam, we will **not** send the State Board Exam Application or the Proof of Training. The student may come back, **free of charge**, for one month during which time he/she must sit for the Exit Exams; if he/she passes the exams and all fees have been paid or arrangements have been made for payment, we will forward the Proof of Training and Application to the State Board of Barbering and Cosmetology.

5. Credit Evaluations:

Appropriate credit will be granted for prior training or experience upon review and evaluation of its validity by school officials and the Board of Barbering and Cosmetology.

Academic Transcripts

The transferability of credits you earn at the Salinas Beauty College is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the clock hours, operations, exams or certificate of completion you earn in our school's educational program is also at the discretion of said institution. You may be required to repeat some or all of your coursework at that institution so you should make certain that your attendance at this institution will meet your educational goals. However, the State Board of Cosmetology accepts the transcripts from our school and uses the Proof of Training document to do so. Student records on graduates and terminations are maintained for a period of five (5) years at the principal business location. Student Transcripts and Certificates of Completion are kept indefinitely.

State Licensing Requirements

Graduates may be licensed as a cosmetologist if they are 17 years of age, have the equivalent of a 10th grade education, and pass the State Exam.

Note: it is necessary to have a state license in order to obtain employment. Also, social skills are a necessity for success in the beauty industry.

The institution's standards for student achievement

Attendance Status

A full- time student attending a clock hour program is expected to complete 900 clock hours in a period not less than 30 instructional weeks attending at least of 24 clock hours per week

A half- time or less than half time enrollment is calculated based on the student work load in a payment period – calculated on a 20 hour week the period should not exceed 45 weeks.

Credit Evaluation

College officials will grant appropriate credit for prior training or experience upon review and verification of its validity

Student Status: A full-time student can enroll to complete the course in as little as 44 weeks or as a part-time student in as long as 88 weeks.

Attendance Policy, Tardy and Make-up Policies

Attendance must be maintained at an average of 67 percent of the scheduled attendance if the student is expected to complete the course of study within the 1.5 times of the period of time stated in the enrollment agreement. An absence may be excused by calling-in the same day prior to the beginning of class. Students are required to make-up for the lessons, and exams missed due to absenteeism. If the student is absent during three (3) consecutive weeks, the school will withdraw him/her. The instructor in charge will review excessive tardiness or absences with the student to determine possible corrective action to the issue on hand. We presently do not charge for absences, but do charge (at our given rate - \$ 8.00 per hour) for an over-extended course of study and all absences must be made up. Note: this charge cannot be paid by Title IV funds.

Satisfactory Academic Progress (SAP)

STANDARDS: This institution expects all of its regular students to maintain **Satisfactory Academic Progress (SAP)** as established by this institution under the guidelines of the United States Department of Education.

1. Qualitative - Maintain a cumulative academic average of “C” (70%) or better at the end of each of the evaluation period. The grading must take into consideration grades obtained in exams for theory classes and practical grades obtained on hands-on practical exams.
2. Quantitative - Maintain a cumulative average attendance level (pace rate) of at least two-thirds (2/3 or 67%) of the scheduled hours indicated on their enrollment contract at the end of each of the evaluation period.
3. Maximum time frame - Complete the course within a maximum time frame of one and one-half (1 ½) times the length of the course as stated in the enrollment agreement. For example, if the student has contracted to complete the course within 44 weeks (including grace time for absences), he or she must complete within 150% or 66 weeks.
4. Meeting SAP requirements - Students must meet both of the minimum requirements for pace rate (attendance) **and** GPA from academic grades at any evaluation point to be considered making satisfactory progress until the next evaluation period.

EVALUATION PERIODS: Student receiving aid from Title IV Aid Programs must be in compliance with the Satisfactory Academic Progress Policy at the end of each payment period of the course. A payment period is at least half of the academic year in instructional weeks or clock hours, semester credits, trimester credits or quarter credits. Both, instructional weeks must have elapsed and credit/clock hours must have been completed in order for the payment period be considered completed.

Sample Chart is based on an academic years defined as 900 clock hours and 26 weeks

Course	1 st Payment Period		2 nd Payment Period		3 rd Payment Period		4 th Payment Period	
	Hours	Weeks	Hours	Weeks	Hours	Weeks	Hours	Weeks
Cosmetology	1-450	1-13	451-900	14-26	901-1250	27-36	1251-1600	37-46

If at the end of **a** payment period the student fails to maintain a passing grade point average or failed to successfully complete the clock hours, semester/trimester or quarter credit hours percentage required to maintain a progress level that would allow the student to complete the course within the maximum time frame in the course, as published, the student would be placed in a financial aid warning SAP status. The student will be eligible for financial aid funds for one subsequent payment period.

If at the end of a payment period under financial aid warning status, the student fails to make the grade or fails to successfully complete the cumulative number of hours (clock, semester/trimester or quarter) percentage that would allow the student to complete the course of study within the maximum time frame as published, the student will be placed in an ineligible status for financial aid funds. At this point the student will be informed by the institution of his/her ineligibility for future financial aid funds. The student will also be informed of the steps to take to initiate an appeal process.

A term program will conduct SAP evaluations at the end date of each completed term.

APPEAL PROCEDURES: The student, who wishes to appeal the non-satisfactory progress status, must initiate the process by submitting a written request to the director of education of the institution. The request is to be presented within (10) days of the non-satisfactory progress status determination and must describe any circumstances that the student believes affected his/her performance and deserve special consideration and the measures that the student has taken to resolve those circumstance in a manner that would not interfere his/her progress again.

The director of education shall evaluate the appeal within five (5) business days and notify the student in writing of his/her decision. Should the student's appeal be denied, he or she may appear before a school committee formed by representatives from the administration, faculty and students to present his/her case. The committee shall consist of three (3) current staff members and two (2) current students as needed, and will provide a written notice to the student of its decision within three (3) business days. The decision of the committee shall be final.

If the appeal is approved, the payment period originally placed under ineligibility status would be modified to a financial aid probation status. The student will be eligible for aid for the period under financial aid probation.

If at the end of the payment period under probation status, the student fails to make the grade or fails to successfully complete the cumulative number of hours (clock, semester/trimester or quarter) percentage that would allow the student to complete the course of study within the maximum time frame as published, the student will be placed in an ineligible for financial aid funds status.

REINSTATEMENT: A student that remains enrolled and is determined as making satisfactory progress at the end of a subsequent payment period under ineligible status, would be reinstated as eligible for Federal funds only for that payment period and for the subsequent payment period.

Withdrawing from school – Policies and procedures

To withdraw from your course of study, you must request it in writing and present it the school financial aid office. This is the only office authorized to accept your request to withdraw from the course of study. Once the request is received, the registrar office will be informed to obtain your most recent academic information, the financial aid office will review your file for

completeness and the fiscal office will review your account balance. Financial aid recipients will go through a Return of Title IV Calculation, to determine eligibility for funds disbursed or that could have been paid, a second calculation that would apply the institutional refund policy would it determine the final status of the student tuition charges account.

RE-ENTERING:

Students accepted for re-entering into the program of study, will be placed under the same satisfactory progress status prevailing at the time of the prior withdrawal.

Re-Entry Policy

All students who withdraw in good standing may re-enter into the course of study without the loss of credit for prior hours and projects earned during the prior enrollment. If the student transferred to other institution before returning to **SBC**, those hours and projects earned at that institution may also be credited to the student for the new re-enrollment. Each re-entry is treated on an individual basis. **SBC** reserves the right to reject students that had withdrawn from **SBC** twice before

Class and Practice Hours

The students record their hours on a fingerprint machine when they arrive, go to lunch, come back from lunch and at the end of the day. The fingerprints are forwarded to RGM to accumulate and maintain them. Students are allowed up to seven (7) minutes to sign-in and receive credit for the full quarter (1/4) hour. Students receive credit for task/operation/project completed after each action is verified by an instructor.

Leave of Absence

Occasionally, students may experience extended personal, medical or other problems, which make it difficult to attend classes. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program. LOA must be requested in writing by the student and must be approved by the school administration. The written request must include the start and end date of the leave of absence. Leaves of Absence may be granted for up to 180 days. Students should not request a Leave of Absence unless there is an absolute need to be off school for a period of more than 20 days but less than 180 days. (For financial aid recipients, leaves are limited to a total of 180 days of leave within a 12 month period, these 12 initiate from the first day the student goes on the first leave). Students will not be assessed additional tuition charges while on their Leave of absence. Before the start of the leave of absence, students returning from an authorized LOA will retain all credit for clock hours and work projects completed, and will return to the academic progress status they held. Students who fail to return from a LOA will be considered dismissed as of the last class day of attendance. Presently the SBC does not utilize federal loans, but when the time comes the following will prevail: As of the same date, the loan repayment process will be initiated. Students must be reasonably certain of their intent to return. If the student does not return as scheduled, the grace period on any student loan will revert to start counting from the first day of the leave. In these cases the loan payment will be due as stated on the promissory note.

The Leave of Absence will extend the student’s contract period and maximum timeframe by the number of days in the Leave of Absence. Students on an approved leave of absence or re-entering will re-enter making the same satisfactory progress as when he/she left.

Grading System

Students are evaluated on a regular basis on subject matters. The evaluations are measured on a standard percentile basis and the percentage converted to a letter grade and a point grade. The evaluation form reflects the attendance and academic progress of the student. Students must maintain a “C” (70%) average to maintain satisfactory academic status. The grading system detailed below is the system utilized in the school.

Grading	Letter	Description	Grade Point
90 - 100%	A	Excellent	4.00
80 - 89%	B	Above Average	3.00
70 - 79%	C	Average	2.00
60 – 69%	D	Below Average	1.00
59% or below	F	Fail	0.00

The Evaluation Periods will be 450, 900, 1250 and 1600 hours. Students must maintain a C average for successful progression and graduation. Students finding difficulty in maintaining satisfactory progress will be put on Warning Status.

Probation

Students failing to meet minimum progress requirements will be placed on probation with the opportunity to meet requirements for the next evaluation period. At the end of the probation period, the student’s progress will be re-evaluated. If the student is meeting minimum requirements, he/she will be determined as making satisfactory progress. If the student fails to meet satisfactory progress he/she will be suspended. If when he/she returns and does not make satisfactory progress he/she will be terminated.

Reestablishment of Status

A student determined NOT to be making Satisfactory Progress may reestablish Satisfactory Progress by:

1. Making up missed tests and assignments and increasing cumulative grade point average to 70% and
2. Increasing cumulative attendance to 67%

If at the end of a payment period the student fails to maintain a passing grade point average or failed to successfully complete the clock hours, semester/trimester or quarter credit hours percentage required to maintain a progress level that would allow the student to complete the course within the maximum time frame in the course, as published, the student would be placed in a financial aid warning SAP status. The student will be eligible for financial aid funds for one subsequent payment period.

Withdrawals/Course Incomplete

Any student who withdraws from his/her contracted course or fails to complete his/her training will have notice placed in his/her student file as to progress at point of withdrawal and if unofficial will have a 14 day time period to Re-enter.

Repetition

A student making satisfactory progress at the point of withdrawal may apply for re-enrollment in the school and will be considered to be making satisfactory progress at the point of re-entry.

Non-credit remedial courses have no effect upon a student's satisfactory progress status in this school.

SBC does not guarantee placement to any student. However, limited job placement assistance is provided to graduates at no additional charge. Upon graduation, the student's name is recorded in a placement register for the follow-up process. Results from the State Board license examination are recorded as passed or failed. (The State Board of Cosmetology has a quarterly report that indicates the students who pass or fail the exam.) Students who fail the exam are encouraged to return to SBC for assistance and guidance for subsequent attempts to pass the exam. Placement assistance is provided by reviewing the listings of prospective employers seeking employees, their job requirements, salary, and other pertinent information. Students are

referred to interview and the results of these interviews are recorded in the placement register. The school may show prospective students this register upon request.

In the event the student does not have a job upon completion of the course -- we provide assistance. The school has classes on "How to Get and Keep a Job". STUDENT'S RIGHT TO CANCEL:

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (first day of classes), or the seventh day after enrollment (seven days from date when enrollment agreement was signed), whichever is later. The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office, a withdrawal may be initiated by the student's written notice or by the institution due to student's academics or conduct, including, but not necessarily limited to, a student's lack of attendance. Refund Policy: After the cancellation period, the institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has incurred (including absences), there will be no refund to the student. Equipment, books, supplies, tools, uniforms, kits and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student.

If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. See Refunds section below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student's notification or school's determination.

Our program is measured in clock hours, and as such, unofficial withdrawals will be monitored and determined by our institution at the times it normally monitors attendance, but a minimum of once a month (30 days).

If a student on an approved leave of absence notifies the school that he or she will not be returning, the date of withdrawal shall be the earlier of the date of expiration, of the leave of absence or the date the student notifies the institution that the student will not be returning.

Financial Aid Mechanism

Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. **Loans usually have low interest rates that a student must repay in accordance to the individual loan program terms.**

Most of the loans can be arranged to require payment after a grace period of several months upon graduation, or upon the student’s termination from the program or if a student’s attendance falls below half time. Financial aid is awarded to students who have “need”. Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school. **Note: Because we have ROP funds at this time the Salinas Beauty College does not encourage federal loans.**

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

Compliance Statement

The Federal Privacy Act of 1974 requires that students be notified that the disclosure of his/her social security number is mandatory. The social security number is used to verify students’ identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state or private programs.

The U.S. Department Of Education Title IV Student Financial Aid Programs:

The college **does not** participate in the following USDE Title IV programs.

Application For Aid, Procedures And Forms

Financial aid applications for this institution consist of the following:

Free Application for Federal Student Aid (FAFSA) this form needs to be completed as instructed on the form. Documentation to substantiate the data entered on the form may be required by the financial aid office. Forms and assistance in completing them are available at this school during school hours. In addition to the FAFSA, the institution requires a series of forms as they apply to the individual student aid program and to the student's individual family circumstances. We strongly recommend students and parents to use the FAFSA on the web using the IRS information retrieval and utilizing their USDE PIN number to execute promissory notes, signatures on FAFSA loan entrance and exit counseling and access to the loan records.

Federal Pell Grant Program: Funds received under this program are not subject to repayment from the student.

Deadline: FAFSA applications must be received by June 30 in the year on which the application is intended for. SAR or ISIR must be submitted to the financial aid office by September 29, of the award year from which aid is requested from, or your last day of enrollment in 2013-2014, whichever comes first. A valid ISIR requires signatures of student, spouse and/or parents, when the ISIR has been corrected.

Renewal Process: A FPELL Grant award is received for one award year (July 1 to June 30 of the following year), and **is not** automatically renewed for the next award year. Students must re-apply for the FPELL Grant and submit a copy of the **new** SAR or ISIR to the financial aid office for each award year.

Maximum Annual Award: \$ 5,767.00

Disbursement: They are made based on per payment period via a check payable to the student or via a direct credit to the student's tuition account.

Determining Need

The information you report on the FAFSA form when you apply for aid, is used in a formula established by U.S. Congress that calculated your Expected Family Contribution. **SBC** utilizes the Free Application for Federal Student Aid (FAFSA) for students applying for aid. This form will be processed by a contractor of the U.S. Department of Education at no cost to the student. The results will be provided in the form of an Electronic Student Aid Report with the calculation of the Expected Family Contribution.

Cost Of Attendance

This institution uses the annual budgets published by the **CALIFORNIA STUDENT AID COMMISSION**. The estimate amount it will cost a student to go to school during an academic year of approximately 9 months is stated below.

Elements included in the budget:	Tuition	\$ 12,800.00
	Registration Fee	250.00
	Books and supplies	685.00

Living cost allowance (monthly figures):

	Student Living with parents	Student living off campus
Room and board	\$4,599	\$11,493
Transportation	1,134	1,278
Personal/misc.	3,132	2,781

(The cost of uniforms is included in the personal allowance or included in the school Books and supplies)

The **SELF-HELP CONCEPT** lists types of financial assistance in the following order:

1. Family contributions
2. Other resources (ROP)
3. Federal PELL Grant

Definitions related to financial aid:

The following definitions correspond to some common terms used within the financial aid terminology:

ACADEMIC YEAR: A period of not less than 26/30 weeks of instructional time with a minimum of 900 clock hours/24 Semester credit hours/36 Quarter credit hours of instruction for a full time student. The midpoint of the academic year shall be a minimum of 13/15 weeks and at least 450 clock hours/12 semester credit hours/36 quarter credit hours. In effect, all students enrolled in courses with an academic year scheduled to be completed in less than 26/30 weeks, regardless of the number of clock hours/Semester credit hours/Quarter Credit Hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours in the course of study in relation to the academic year.

CLOCK HOUR: A period of 50 to 60 minutes of supervised instruction during a 60 minute time period.

COST OF ATTENDANCE: Institutional charges for tuition, fee, books and supplies in addition to an estimated cost to the student for living allowances as room, board, transportation and personal combined compose the cost of attendance for an academic year or less as the cost of attendance or educational budget.

Credit balances are paid within 14 business days from the day the credit balance was generated. Students must be responsible for budgeting their own funds and for securing that the funds are used for education related expenses. FSA regulations refer to the amount of aid that exceeds the allowable charges as a credit balance

DEPENDENT STUDENT: She/he is an individual that does not meet the independent student criteria. This student is required to submit with his/her application, student and

The student will no longer be eligible for aid until informed by the U.S. Department of Education.

No additional aid will be available to the student until all Financial Aid history are received by SBC.

Verification Process:

Federal regulations 34 C.F.R. Part 668, Subpart E, dated March 14, 1986 April 29, 1994, November 29, 1994 - executing legislation 20 U.S.C. 1094 governing the title IV programs require schools to be sure of certain applicant-reported data.

These regulations require schools to develop written policies and procedures for verification. The school is required to make these policies available to all applicants for financial aid, as well as prospective students upon request. This procedure is part of the Admissions and Counseling process.

To follow the regulations and achieve consistency governing this process, the following verification policies apply to all applicants for Title IV programs.

Under the regulations, the school will not disburse FPELL or Campus-Based aid, nor certify Stafford/PLUS loan applications, until completion of verification process. If the institution, chooses to make interim payments, that has to be clearly stated in their policies. RGM suggest not to do interim payments and complete the verification process before disbursements be made.

WHO MUST BE VERIFIED: The policy of this school shall be to verify those students selected by the need analysis (ISIR) system for verification.

Verification exclusions

- **Death of the student.** You don't have to continue verification if you made an interim disbursement and the student died before verification was completed. You cannot make any additional disbursements, except for FWS funds already earned, to any of the student's beneficiaries.
You cannot originate or disburse his Direct Subsidized Loan or consider any interim disbursement you made of Pell, Perkins, or FSEOG funds or provisional FWS employment to be an overpayment.
See *Chapter 2 of Volume 5*.
- **Not an aid recipient.** The student won't receive Title IV aid for reasons other than a failure to complete verification. This includes being ineligible for that aid and withdrawing without receiving it.
- **The applicant is eligible to receive only unsubsidized student financial assistance.**
- **Applicant verified by another school.** The student completed verification for the current award year at another school before transferring.
Her FAFSA data must be the same as it was at the previous school, and you must get a letter from that school stating that it verified her application and providing the transaction number of the pertinent valid ISIR.
- **Post enrollment.** The student was selected for verification **after** ceasing to be enrolled at your school and all (including late) disbursements were made.
Unless you have reason to believe it is inaccurate, you don't have to verify the reported FAFSA information of the parents of a dependent student if any of the following apply:
 - **Both of the parents are mentally incapacitated.**
 - **They are residing in a country other than the United States and can't be contacted by normal means.**
 - **They can't be located because the student does not have and cannot get their contact information.**

Unless you have reason to believe it is inaccurate, you don't have to verify the reported FAFSA information of the spouse of an independent student if any of the following apply:

- **The spouse has died.**
- **He is mentally incapacitated.**
- **He is residing in a country other than the United States and can't be contacted by normal means.**

Student Rules

1. Regular hours are from 8:00 A.M. to 5:00 P.M., Tuesday through Saturday.
2. All students shall report to school in a uniform and dressed appropriately. Uniform is either a black or white lab coat; or a black apron over black &/or white street clothes. Any student arriving at the College without the proper uniform is subject to being placed on probation and eventual suspension or termination.
3. Students shall come to school looking professional. Class time shall not be spent combing one's hair or applying make-up.
4. Students are to take lunch between 11:30 and 1:00. Students may wait on another student for lunch if approved by an instructor. Eating, drinking, or gum chewing is allowed only in the lunch area and students must clean up after themselves when finished having lunch. All-day students must check out for lunch 30 minutes each day. If a student fails to check out for lunch, 30 minutes will be deducted from his/her time ticket. State law prohibits any student from attending over six hours without a lunch period.
5. No one is allowed behind the reception desk, in the office, or in the supply areas unless authorized.
6. No personal phone calls are permitted during class time. The receptionist may take a message for students in an emergency. Students should advise friends and family of the school policy. **Cell phones must be turned off or put on vibrate during class.**
7. Students must clean their stations after each service. Hair must be swept immediately after haircuts are completed. The students are responsible for the cleanliness of their work areas and assigned clean-up areas. Unkempt work areas or non-participation in "clean up" can result in the student receiving a "Student Compliance Slip" which can result in Suspension and/or Termination.
8. All appointments must be made by the receptionist and no appointments are to be made by the student, unless O.K.'d by the Clinic Instructor. Additional materials for services must be paid for and approved by an instructor. Also, a service work slip must be visible during all services. Except for extenuating circumstances, students must take all appointments assigned to them.
9. Students are allowed to have services performed on them on Tuesdays, Wednesdays, Thursdays and Saturdays from 1:00 to 4:30 with the Clinic/salon Instructor's permission. **An exception would be if Evaluations and/or Testing are given during those time frames. At no time will the students be allowed to give or receive services during class time.** An Approval ticket (filled out with the student's name, the service and price and with instructor's initial) is mandatory and all fees paid in advance with no exception. **Note: No chemical products may be used in the school that hasn't been dispensed from our Instructors.** There is no charge for services that require no chemicals, such as hair cuts and styling. 11. Students must not leave the school during the regular hours without permission from an instructor and must check out on the time clock.
12. Students must maintain the attendance schedule they committed to when enrolling. In the event there is a problem, it should be discussed with the Education Director or Director; otherwise the student may be suspended or terminated until such a time the schedule can be attained.
13. Each student has the privilege to discuss (with the school Director or Education Director) any school or personal problems that may affect his/her program.

16. **It is mandatory that all students attend theory classes at 9:00 including part-time students.**
17. Students are required to take clients in the clinic/salon.

Recent History of Crime in and around Salinas and the School

Salinas has the 12th highest crime rate in the United States. We have the 4th highest homicide rate in California. Following is the latest data available: Murder = 1.65 the National Average; Forcible Rape = 1.04 times the National Average; Robbery = 1.21 times the National Average; Aggravated Assault = 1.33 times the National Average; and all Violent Crime = 1.34 times the National Average.

Salinas is a known gang town and most of the criminal activities are on the East and North side of the city, whereas the school is located on the South side. About five years ago there was activity that led us to believe there might be danger for our students so we contacted the local police and they started patrolling the area randomly – as such we hadn't seen or heard of any criminal activity in the area until June 2011 when a student's car was robbed and last year (2012) there were two armed robberies a few blocks away. There hasn't been any crime in our near vicinity, there was however, a break-in next door by (it looked like) young kids in January 2014.

The information discussed in this catalog is in effect from: July 1, 2016 to June 30, 2017 and is updated annually.
